₹ 40,500

Deen Dayal Upadhyaya Gorakhpur University

Deen Dayal Upadhyaya Gorakhpur University, founded in 1950, is the first university in Uttar Pradesh to emerge as a leading higher-studies centre after Independence. It has earned an A++ accreditation from NAAC for its relentless pursuit of its motto, “Let the noble thoughts come to us from all directions,” which reflects its openness to diverse perspectives, cultures, and values in its academic and organizational spheres. DDU Gorakhpur University offers Online Programs, ODL Programs, and Work-linked Programs to support diverse learners. The university bears the name of the eminent political philosopher, Pandit Deen Dayal Upadhyaya. It is situated in Gorakhpur, where it draws inspiration from the spiritual, philosophical, patriotic, and philanthropic heritage of Gautam Buddha, Sant Kabir, Guru Gorakshnath, Bismil, Hanuman Prasad Poddar, and the world-famous Gita Press.

Key features

- ◆ Industry-Integrated Curriculum
- ◆ NAAC A+ Accredited University
- ◆ Entrepreneurship & Innovation Cell
- ◆ Digital Learning Management System (LMS)
- ◆ Scholarship Opportunities for Meritorious Students
- ◆ Experienced Faculty from Academia & Industry

MA Economics - WLP

Highlights

- ◆ A work-linked format that makes economics, policy, markets, and development thinking more applied through digital study and practical exposure.
- ◆ Learners engage with microeconomics, macroeconomics, Indian economy, and public policy, with emphasis on concepts that can be seen in professional settings.
- ◆ Company-linked or internship exposure helps students understand workplace expectations and role discipline.
- ◆ Flexible structure allows learners to continue academic progress while gaining practical awareness.
- ◆ Builds a more rounded profile by combining knowledge, application, and employability-focused skills, with added focus on career self-awareness.

Learning outcomes

- ◆ Within MA Economics - WLP from Deen Dayal Upadhyaya Gorakhpur University, interpret key ideas in economics, policy, markets, and development thinking and relate them to markets, households, firms, policy choices, and development questions.
- ◆ Solve structured problems involving economic interpretation, policy analysis, and resource-allocation challenges through appropriate concepts and methods.
- ◆ Assess economic decisions using data, theory, incentives, and social context with attention to analytical rigour, evidence, and balanced interpretation.
- ◆ Communicate insights through policy notes, economic analyses, and research-based summaries suited to the discipline.
- ◆ Observe how microeconomics, macroeconomics, Indian economy, and public policy appear in practical settings and use that exposure to build employability awareness, while strengthening career self-awareness.

Eligibility Criteria

Course Eligibility: Candidates must hold at least a bachelor's degree in any discipline.

Internship Eligibility: Age limit: 23 years

*Earnings depend on role, industry, company policies, and internship availability
