Deen Dayal Upadhyaya Gorakhpur University

Deen Dayal Upadhyaya Gorakhpur University, founded in 1950, is the first university in Uttar Pradesh to emerge as a leading higher-studies centre after Independence. It has earned an A++ accreditation from NAAC for its relentless pursuit of its motto, “Let the noble thoughts come to us from all directions,” which reflects its openness to diverse perspectives, cultures, and values in its academic and organizational spheres. DDU Gorakhpur University offers Online Programs, ODL Programs, and Work-linked Programs to support diverse learners. The university bears the name of the eminent political philosopher, Pandit Deen Dayal Upadhyaya. It is situated in Gorakhpur, where it draws inspiration from the spiritual, philosophical, patriotic, and philanthropic heritage of Gautam Buddha, Sant Kabir, Guru Gorakshnath, Bismil, Hanuman Prasad Poddar, and the world-famous Gita Press.

Key features

- ◆ Industry-Integrated Curriculum
- ◆ NAAC A+ Accredited University
- ◆ Entrepreneurship & Innovation Cell
- ◆ Digital Learning Management System (LMS)
- ◆ Scholarship Opportunities for Meritorious Students
- ◆ Experienced Faculty from Academia & Industry

MA Economics

Highlights

- ◆ Flexible study structure that keeps quality education accessible for graduates and working professionals seeking stronger career direction.
- ◆ Emphasis on microeconomics, macroeconomics, Indian economy, and public policy, ensuring the course stays closely aligned with economics, policy, markets, and development thinking.
- ◆ Encourages steady academic progress through organized content, assessments, and guided learning support.
- ◆ Helps learners interpret real situations, evaluate information, and communicate ideas with subject confidence.
- ◆ Relevant for learners seeking meaningful growth in policy, research, analytics, banking, public administration, and development roles, including areas such as Economist / Economic Analyst, Banking and Financial Services Roles, and Policy Research Assistant, based on their goals and experience, with added focus on research orientation.

Learning outcomes

- ◆ Within MA Economics from Deen Dayal Upadhyaya Gorakhpur University, map important concepts in economics, policy, markets, and development thinking to real or case-based situations involving markets, households, firms, policy choices, and development questions.
- ◆ Apply analytical thinking to manage economic interpretation, policy analysis, and resource-allocation challenges in a disciplined way.
- ◆ Evaluate information before making conclusions about economic decisions using data, theory, incentives, and social context.
- ◆ Design or present policy notes, economic analyses, and research-based summaries that show both knowledge and practical relevance.
- ◆ Grow confidence for academic advancement and career exploration across policy, research, analytics, banking, public administration, and development roles, including areas such as Economist / Economic Analyst, Banking and Financial Services Roles, and Policy Research Assistant, while strengthening research orientation.
