UNIVERSITY

JAIN (Deemed-to-be University)

JAIN (Deemed-to-be University), based in Bengaluru, is a leading institution committed to academic excellence, innovation and holistic development. The University offers diverse programs across engineering, management, commerce, sciences, humanities, design and other disciplines. With a strong emphasis on research, entrepreneurship, sports and industry-focused education, it prepares students for evolving global opportunities. Its vibrant campuses bring together learners and faculty from diverse cultural and academic backgrounds. Through classroom, online and open-distance learning, JAIN provides accessible and future-ready education that empowers students to make a meaningful impact.

PROGRAM

B.Com (Hons.) Accounting and Finance

Highlights

- Flexible study structure that keeps quality education accessible for students beginning their higher education journey.

- Emphasis on financial reporting, corporate finance, banking operations, and investment basics, ensuring the course stays closely aligned with finance, accounting, banking, and financial decision-making.

- Encourages steady academic progress through organized content, assessments, and guided learning support.

- Helps learners interpret real situations, evaluate information, and communicate ideas with subject confidence.

- Relevant for learners seeking meaningful growth in Tax Consultant, Auditor, and Insurance Consultant and related finance, banking, accounts, audit support, and commercial decision roles, based on their goals and experience, with added focus on analytical depth.

Learning outcomes

- Within B.Com (Hons) (Accounting and Finance) from JAIN (Deemed-to-be University), examine financial statements, budgets, transactions, and market information through the lens of financial reporting, corporate finance, banking operations, and investment basics.
- Use relevant tools, theories, or frameworks to address financial planning, reporting, control, and banking-related challenges.
- Compare options and make reasoned judgements about finance decisions with attention to risk, return, compliance, and business context.
- Prepare financial analyses, budget notes, and performance reports with clarity, evidence, and subject-specific vocabulary.
- Connect learning with future study, professional growth, or applied work in Tax Consultant, Auditor, and Insurance Consultant and related finance, banking, accounts, audit support, and commercial decision roles, while strengthening analytical depth.

Eligibility Criteria

The minimum qualification required to apply is a pass in the 10+2 examination in Science or Commerce from PUC / ISC / CBSE or an equivalent board. A course recognized as equivalent thereto by the University.
