JAIN (Deemed-to-be University)

JAIN (Deemed-to-be University), based in Bengaluru, is a leading institution committed to academic excellence, innovation and holistic development. The University offers diverse programs across engineering, management, commerce, sciences, humanities, design and other disciplines. With a strong emphasis on research, entrepreneurship, sports and industry-focused education, it prepares students for evolving global opportunities. Its vibrant campuses bring together learners and faculty from diverse cultural and academic backgrounds. Through classroom, online and open-distance learning, JAIN provides accessible and future-ready education that empowers students to make a meaningful impact.

MSW

Highlights

- ◆ Subject learning covers case work, community organisation, social welfare, and counselling basics, helping learners connect social work, community development, and human services with workplace situations.

- ◆ Practical touchpoints encourage professional discipline, communication, and responsibility in real or simulated work contexts.

- ◆ Flexible delivery supports learners who want academic progress without losing exposure to applied environments.

- ◆ Strengthens employability, workplace readiness, and domain awareness for pathways in NGOs, CSR, community development, counselling support, welfare administration, and social research, including areas such as Social Worker, Community Development Officer, and Policy Advocate, with added focus on learner independence.

Learning outcomes

- ◆ Within MSW from JAIN (Deemed-to-be University), interpret key ideas in social work, community development, and human services and relate them to communities, vulnerable groups, social programmes, and human service settings.
- ◆ Solve structured problems involving community needs, social intervention, advocacy, and welfare delivery challenges through appropriate concepts and methods.
- ◆ Assess practice decisions grounded in ethics, empathy, evidence, and social justice with attention to ethics, empathy, inclusion, and accountable practice.
- ◆ Communicate insights through case notes, community plans, intervention reports, and reflective practice records suited to the discipline.
