MBA (Information Technology)

Type

Pg Program

Mode

Distance

Duration

2 Years

Total fees

₹ 62,000

Sambalpur University

Sambalpur University is a state university under the University Grants Commission, Government of India. The Sambalpur University Act was passed by the Odisha Legislature on 10th December 1966 to fulfill the long-cherished dream of the people of Western Odisha for the establishment of a university. The University started functioning on 1st January 1967 with Prof. Parsuram Mishra as the first Vice-Chancellor. The University was inaugurated on 4th January 1967 by Hon'ble Chancellor A.N. Khosla. The University started functioning in 1967 in a rented private building at Dhanupali, Sambalpur, and in the Government building at Ainthapali, Sambalpur from 1968-72. In the year 1973, the University was shifted to the present campus named Jyoti Vihar at Burla.

MBA (Information Technology)

Highlights

- ◆ Flexible open and distance learning format designed around graduates and working professionals aiming to deepen technical expertise, with room to balance study, work, and personal commitments.
- ◆ Course coverage includes Business Statistics and Analysis, Managerial Economics, Business Environment, and Business Communication, giving learners a clearer view of computer science, software systems, and computational thinking and its applications.
- ◆ Learning is supported through guided modules, faculty-led inputs, and examples connected to current academic or professional contexts.
- ◆ Assignments and applied exercises help learners connect concepts with computing problems, software design choices, and system behaviour rather than studying the subject in isolation.
- ◆ Useful for building confidence, subject depth, and readiness for future pathways in IT Project Manager, Systems Analyst, and IT Consultant and related software engineering, systems development, computing research, and technical problem-solving roles, with added focus on project-based reflection.

Learning outcomes

- ◆ Within MBA (Information Technology) from Sambalpur University, understand how Business Statistics and Analysis, Managerial Economics, Business Environment, and Business Communication shape practice within computer science, software systems, and computational thinking.
- ◆ Apply concepts to interpret computing problems, software design choices, and system behaviour and respond to practical questions.
- ◆ Review software design choices based on efficiency, reliability, and maintainability using evidence, context, and logical precision, scalability, and disciplined engineering practice.
- ◆ Build code modules, system designs, and technical explanations that support effective communication and problem-solving.
- ◆ Demonstrate readiness to pursue deeper learning or relevant roles connected to IT Project Manager, Systems Analyst, and IT Consultant and related software engineering, systems development, computing research, and technical problem-solving roles, while strengthening project-based reflection.

Eligibility Criteria

Students with any Undergraduate Degree from UGC recognised institutions

Curriculum Overview

Semester I (7 subjects)

- | | |
|---|---|
| ◆ MBA101 Business Statistics and Analysis | ◆ MBA105 Human Values and Professional Ethics |
| ◆ MBA102 Managerial Economics | ◆ MBA106 Financial Accounting for Managers |
| ◆ MBA103 Business Environment | ◆ MBA107 Computer Application in Management |
| ◆ MBA104 Business Communication | |

Semester II (8 subjects)

- | | |
|---|------------------------------------|
| ◆ MBA201 Legal Aspects of Business | ◆ MBA205 Marketing Management |
| ◆ MBA202 Quantitative Techniques for Managers | ◆ MBA206 Operations Management |
| ◆ MBA203 Human Resource Management | ◆ MBA207 Business Research Methods |
| ◆ MBA204 Corporate Financial Management | ◆ MBA208 Organizational Behaviour |

Curriculum Overview (continued)

Semester III (4 subjects)

- ◆ MBA301 Strategic Management
 - ◆ MBA302 International Business Management
 - ◆ MBA303 Summer Training
 - ◆ Project Report & Viva-voce
-

Semester III - Information Technology (Major Specialization) (6 subjects)

- ◆ IT304 Database Management System
 - ◆ IT305 Data Communication
 - ◆ IT306 Software Engineering
 - ◆ IT307 System Analysis and Design
 - ◆ IT308 Information Security
 - ◆ IT309 E-Commerce and Cyber Law
-

Semester IV (4 subjects)

- ◆ CP401 Entrepreneurship Development
 - ◆ CP402 Project Management
 - ◆ CP403 Dissertation and Viva-voce
 - ◆ Immersion Programme
-

Semester IV - Information Technology (Major Specialization) (3 subjects)

- ◆ IT404 System Analysis & Design
- ◆ IT405 Information Security
- ◆ IT405 E-Commerce & Cyber Law

Fee Structure

Fee heads	Year 1	Year 2	Total
Exam Fee	₹ 1,000	₹ 1,000	₹ 2,000
Program Fee	₹ 30,000	₹ 30,000	₹ 60,000
Total	₹ 31,000	₹ 31,000	₹ 62,000
