# Swami Rama Himalayan University

Swami Rama Himalayan University (SRHU), located in Dehradun, Uttarakhand, is a multidisciplinary institution dedicated to academic excellence, innovation and holistic development. The University offers programs across management, healthcare, science, technology, humanities and other professional disciplines. It combines quality teaching with research, practical learning and industry-oriented education to prepare students for evolving career opportunities. Supported by experienced faculty and modern learning resources, SRHU encourages ethical leadership, entrepreneurship and social responsibility. Through campus-based and online education, the University strives to make meaningful, career-focused learning accessible to students from diverse backgrounds.

# B.Com (Hons.)

## Highlights

- ◆ A balanced learning format that brings commerce, accounting, finance, and business practice within reach for learners with varied schedules.
- ◆ Course content touches Financial Accounting, Business Organisation & Management, Business Statistics, and Microeconomics, allowing students to connect fundamentals with practical relevance.
- ◆ Designed to build confidence gradually, from concept clarity to more independent academic thinking.
- ◆ Includes opportunities to reflect on commercial transactions, financial records, and business decisions through assignments, cases, or application-led tasks.
- ◆ Helps learners prepare for future education, professional transition, or stronger domain understanding in Accountant, Financial Analyst, and Tax Consultant and related accounting, finance support, taxation, banking, and business administration pathways, with added focus on project-based reflection.

## Learning outcomes

- ◆ Within B.Com (Hons) from SRHU Online, examine commercial transactions, financial records, and business decisions through the lens of Financial Accounting, Business Organisation & Management, Business Statistics, and Microeconomics.
- ◆ Use relevant tools, theories, or frameworks to address accounting, compliance, and financial interpretation tasks.
- ◆ Compare options and make reasoned judgements about commercial choices using financial, economic, and regulatory information.
- ◆ Prepare financial statements, business summaries, and commerce-based reports with clarity, evidence, and subject-specific vocabulary.
- ◆ Connect learning with future study, professional growth, or applied work in Accountant, Financial Analyst, and Tax Consultant and related accounting, finance support, taxation, banking, and business administration pathways, while strengthening project-based reflection.

## Eligibility Criteria

The candidate must have passed 12th or an equivalent examination from a recognised board.
