Swami Rama Himalayan University

Swami Rama Himalayan University (SRHU), located in Dehradun, Uttarakhand, is a multidisciplinary institution dedicated to academic excellence, innovation and holistic development. The University offers programs across management, healthcare, science, technology, humanities and other professional disciplines. It combines quality teaching with research, practical learning and industry-oriented education to prepare students for evolving career opportunities. Supported by experienced faculty and modern learning resources, SRHU encourages ethical leadership, entrepreneurship and social responsibility. Through campus-based and online education, the University strives to make meaningful, career-focused learning accessible to students from diverse backgrounds.

B.Com (Hons.) - WLP

Highlights

- ◆ Digital-first academic learning supported by structured work-linked or internship-style exposure.
- ◆ Curriculum themes such as Financial Accounting, Business Organisation & Management, business law, and taxation basics make the programme relevant to commerce, accounting, finance, and business practice and its practical use.
- ◆ Helps learners observe how classroom concepts appear in commercial transactions, financial records, and business decisions and everyday organizational tasks.
- ◆ Builds confidence in time management, communication, and applied problem-solving alongside formal study.
- ◆ Useful for learners who want both a recognized academic pathway and early practical orientation in accounting, finance support, taxation, banking, and business administration pathways, including areas such as Accountant, Financial Analyst, and Tax Consultant, with added focus on applied interpretation.

Learning outcomes

- ◆ Within B.Com (Hons) - WLP from SRHU Online, map important concepts in commerce, accounting, finance, and business practice to real or case-based situations involving commercial transactions, financial records, and business decisions.
- ◆ Apply analytical thinking to manage accounting, compliance, and financial interpretation tasks in a disciplined way.
- ◆ Evaluate information before making conclusions about commercial choices using financial, economic, and regulatory information.
- ◆ Design or present financial statements, business summaries, and commerce-based reports that show both knowledge and practical relevance.
- ◆ Practice professional communication, accountability, and applied problem-solving through work-linked learning contexts, while strengthening applied interpretation.

Eligibility Criteria

The candidate must have passed 12th or an equivalent examination from a recognised board.
